

HAPPY LANDINGS ANIMAL SHELTER
DOG ADOPTION QUESTIONNAIRE

Please do not be offended by our questionnaire or any further questions you may be asked. We feel our responsibility deeply on behalf of our charges that, as their protectors, we have taken every precaution to ensure that on departure from here they will find themselves in a caring home for the rest of their lives. The more information we have, the easier it is to match a prospective owner to animal. Please also understand that completing this form does not guarantee that a specific dog will be reserved for you. **Thank you for your co-operation.** All questions should be answered.

This questionnaire will be kept for 6 months, if you want your details held longer please contact us.
